Donations:

Operating a youth football program is expensive. Your child's registration fee helps to cover the costs of such items as uniforms, player equipment, practice and game field rental fees, officials, insurance, coaching equipment, safety education, and player development. We do, however still rely on fundraising to offset the costs.

Please consider making an additional cash contribution to Columbia Ravens Football and Cheer. As a 501(c)(3), your contributions to Columbia Ravens Football and Cheer are tax deductible and your employer may even match your contribution.

We thank you for your support. (If you would like to contribute more than is available in the drop-down below, please contact the Columbia Ravens via e-mail at columbiaravensfootball@yahoo.com.)

Please note, any contribution will be associated with the first child's registration (if more than one child is registered).
